

WHISKEY COCKTAILS

WHISKEY SNUG IRISH COFFEE ★ \$8

Oh yeah, an Irish classic! And we make them just like you get 'em in Ireland. We start with rich, black coffee. Then we add our house whiskey, Tullamore Dew, and a brown sugar cube before gently topping it with fresh whipped cream. You can't beat this Whiskey Snug perfection!

WHISKEY SNUG OLD FASHIONED ★ \$10

The Old Fashioned needs no introduction, but we add our own contemporary take! We proudly pour Kansas City's West Bottoms Whiskey with its carefully crafted blend of rye (the classic Old Fashioned ingredient) and bourbon (the contemporary choice) for the amazing foundation. Then we add real maple syrup, Angostura bitters, and just a touch of Aztec Chocolate bitters. Finished with an orange peel garnish and luxardo cherry, this combo renders a balanced, elevated take on the classic. It's a timeless drink that never goes out of style!

WHISKEY SNUG IRISH MULE ★ \$8

The only mules we allow here at the Whiskey Snug are Irish Mules! We start with Strongwater Ginger Beer and layer it with the sweet softness of Tullamore Dew for an Irish copper-cup classic. Topped off with a lime garnish, there's just no improving this combo!
