

WORLD WHISKY

What makes the world go 'round? Whisky! Enjoy our collection of unique and distinct international whiskies. This collection includes whiskies from other countries not previously covered in the menu, but you sure won't want to miss out on them!

Most of the whiskies in our World Whisky collection are malt whiskies. The definitions of malt whiskies vary from country to country, but all must be made from 100% malted barley.

The Japanese whiskies are mostly malts along with some blends.

The Canadian Whiskies are primarily blends and ryes.

Oh, yeah, and the Finnish Malted Rye is definitely worth a taste.
